

FDH BANK LIMITED

08 June 2018

CREDIT CIRCULAR NUMBER: 003/2018

SUBJECT: APPROVED LIST OF VALUERS FOR THE BANK

In our continued efforts of managing **credit risk** we have from time to time reviewed the list of firms and persons who are recommended to handle the business of valuing assets for purposes of establishing the **true value** of these assets before they are accepted for security purposes. Business Units are encouraged to share the list with those they were dealing with to ensure that they were always in line with the guideline.

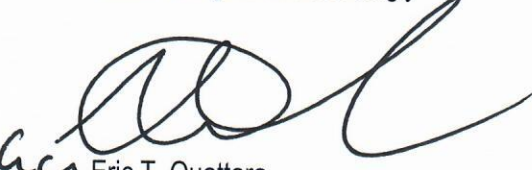

The Bank will under no circumstances, therefore, accept valuation reports prepared by persons or firms that are not on this recommended list, which is now given as follows:
